SUMMARY

I'm a final-year law student, expected to graduate in August 2025, with hands-on internship experience supporting legal teams in corporate, intellectual property, and judicial settings. I am proficient in legal research, drafting contracts and official documents, managing case files, and liaising with regulatory authorities. Detail-oriented and highly organized, committed to delivering accurate and timely assistance to lawyers. Seeking to leverage these skills to contribute effectively in a professional law firm environment and further develop practical legal expertise.
